LSU HEALTH CARE SERVICES DIVISION SEPARATION OF EMPLOYEES POLICY

I. STATEMENT OF POLICY

It is the policy of the LSU Health Care Services Division (HCSD) to develop and implement a consistent procedure to be followed when an employee separates from HCSD employment, voluntarily or involuntarily. This policy will define relevant topics to be included in the employee separation process for review and discussion.

The procedures outlined within this policy must also be adhered to when an employee is transferring from HCSD to another state agency, or to another business unit within HCSD.

These procedures will apply to classified, unclassified and any non-HCSD employee who is based on-site at HCSDA or LKMC.

Note: Any reference herein to Health Care Services Division (HCSD) also applies and pertains to Lallie Kemp Medical Center (LKMC).

II. IMPLEMENTATION

This policy and subsequent revisions to this policy shall become effective upon approval and signature of the HCSD Chief Executive Officer (CEO) or Designee.

III. DEFINITIONS

For the purpose of this policy, the following definitions shall apply:

A. Separation

1. Voluntary departure from HCSD employment. The employee initiates voluntary separation.
2. Involuntary departure from HCSD employment. Involuntary separation is initiated by the HCSD such as a layoff, disciplinary action or other administrative action.
3. Transferring from HCSD to another state agency
4. Transferring from HCSDA to LKMC
5. Transferring from LKMC to HCSDA

B. Personnel Deemed to Hold “Critical” Positions within HCSD and LKMC

1. HCSD classified and unclassified employees at the Executive/Administrative Staff level or Department Director level.
2. Other identified persons that maintain a critical role within the HCSDA and/or LKMC. The Chief Executive Officer, Chief Operations Officer, Hospital Administrator, Hospital CFO, or their designee shall make designation of any individual occupying a critical position within HCSDA and/or LKMC.

3. Non-HCSD employees, based on-site at HCSDA or LKMC may fall under the “critical position” definition.

IV. GENERAL PROVISIONS

- A. It is the responsibility of the employee separating from HCSD to voluntarily notify their department director or designee, in writing, of their intent to separate from employment. The effective date of departure must be included within the written notification. Employees are expected to give at least two (2) week notice. Employees occupying “critical” positions as defined in this policy are expected to give at least thirty (30) day notice. Once a written notice of voluntary separation is submitted, the separation notice can only be rescinded by the Chief Executive Officer, Chief Operations Officer, Hospital Administrator, or designee.
- B. Involuntary separation of employees must adhere to separation procedures where reasonable.
- C. It is the responsibility of the department director or designee to schedule an exit interview for employees separating from HCSD. All separating employees of the HCSDA and non-HCSD employees on-site at HCSDA or LKMC, both voluntary and involuntary, should attend an exit interview prior to their last day on duty.
- D. The separating employee should return their official ID badge. (A temporary ID badge set to expire on the employee’s last day on duty may be issued to the separating employee.)
- E. A checklist form for Separating Employees (See Attachment 1) must be completed by the appropriate department director or designee for all employees voluntarily or involuntarily separating. The completed checklist form shall be maintained in the employee’s official file located in the Human Resources Department for audit purposes.

PLEASE NOTE: Section I of the form (See Attachment 1) must be completed for every employee voluntarily or involuntarily separating. Section II of the form must be completed when the separating employee is occupying a “critical” position as defined in this policy.
